The President's Report 2025

Season 2025 was a terrific year for the Tigers with all teams playing highly competitive football and representing the black and gold with distinction. The Seniors successfully defended their premiership to go "Back to Back" highlighting the dedicated hard yakka of the Coaches, Players and Support Staff. Along with the Seniors, our Reserves and Thirds all qualified for finals showing the depth of talent and commitment the club has at the moment. Along with our teams' success, the season saw the achievement of some very significant milestones for these long standing and beloved Tigers:

Murray Laing completed 10 years of Coaching the Thirds Team

John Laing completed 11 years of Managing the Thirds Team

Danny Evans played 150 games for the Reserves

Scott Forrester played 100 games for the Reserves

The season also saw a change to our ANZAC day commemoration, with the Tigers reestablishing ties with traditional rival Sandgate AFC to contest the Mayne / Sandgate Trophy. Along with the trophy the game also introduced a new best on ground award named the Meakin/Stackpoole Medal, in honour of club greats from both Mayne and Sandgate. The game was hosted by Sandgate this year with the medal being awarded to Jack Collings.

Reunion Day was again a great success with the event very well attended. Our rivals on the day were again Sandgate AFC with the Mick Nolan Medal for the Best on Ground being awarded to Ryan Doolan. The club also welcomed back Players from the 2015 Premiership teams for their 10 year reunion, in a strange coincidence the 2015 premierships were also "Back to Back"! We also welcomed the 1975 Mayne Reserve Grade Premiership team and the Banyo Bloods Premiership team.

In making the successful season - the club wishes to thank the following for their dedication and support:

Committee

Many thanks for the tireless dedication of our committee who volunteer significant amounts of time to the operation of our club and the development of our community facilities. Without our committee's efforts the club would not successfully function. Please acknowledge the massive contributions of our committee members:

Russell Ditchburn - Vice President

Natalie Barber - Treasurer

Secretary- Brent McCardle

Grounds and Facilities Management - John Laing and Graeme "Wally" Wallace

Committee Player Representatives - Jack Collings, Dan Schmidt, Erin Baker, Amelia Young, Kyle Henry, Gus Shaw and Scott Forester

General Committee – Jo Price, Richard Fell, Danny Craven, Mick Collings and Guy Gardner

Club Patron - Young Graham Walters.

Coaching and Team Support

A key to our club's success is the quality of our coaching staff who dedicate a massive amount of time to successfully develop and support our players both on and off the field. On behalf of Tigerland please acknowledge the great work of our coaching staff:

Senior coaches- Jack Gartlan, Jeremy Watts, Tony Lynn and Sean Doolan
Reserve grade coaches - Danny Evans, Shane Fry and Seb Shaw
Thirds side - Murray Laing, Jake Magill
Women's - Tom Hughes, Kyle Henry and Gus Shaw

We also thank our Team Managers for their efforts in getting our players ready on match day. This is a really important role that is very time consuming and at times can be stressful. Please thank our Managers:

Senior and Reserves - Roger Petersen, Marty Puncken and Marc Craigie
Women's - Lizzy Delaney
Thirds - John Laing

Supporting our players and coaching staff are a dedicated team of fitness and medical support experts who ensured that the Tigers were fit and ready to go each match day. Please join the club in thanking: Strength and Conditioning Coaches Sasha Cochrane and Sam Mulherin. While our Physiotherapy and Sports Training Service was provided by the team at All Sports Physiotherapy Aspley; with Jake Burnell as the Lead Physiotherapist.

Team Leadership

Each of our team leaders are great role models and ambassadors for the club, for season 2025 our leadership group was:

Seniors - Daniel Schmidt and Ryan Doolan as Co-Captains. Leadership group - Casey Barber, Louis Quin, James Stolz

Reserves - Gus Shaw as Captain, Nick Galvin Vice Captain, Leadership group - Max Gillespie, Sandy Valentine and Pat Glass

Womens - Amelia Wedell as Captain, Lizzie Delaney, Dakota Cott, Rhi Meehan, Erin Baker and Elvina O'Keefe as Vice Captains

Thirds - Rory O'Shea and Jake Magill as Co- Captains

Match Day and Volunteers

The club extends its appreciation to the following volunteers who contribute to making match days a great experience when visiting Mott Street.

Canteen - Guy and Sandra Gardner supported by Albert and Lynne Thompson.
Friday nights the canteen service was provided by Lyndy Merryfull
Bar Managers - Meyrick White and Brent McArdle
Ground Marshalls - Melissa Wegner and Ian Evans
Live scoring and timekeepers -Marty and Dan Puncken
Scoreboard Operators - Graham Wallace and Sam Craigie
Gardener - Bob Gower
Photographer - Russell Ditchburn

Sponsorships and Fundraising

On behalf of the club we thank all of our sponsors both Corporate and Family, without your generous donations we would not be able to operate the club.

We were delighted to have all of our major sponsors The Gardner Vaughan Group, Ecclestone Family, Action Formwork and Altogether Group continue their support of the Tigers.

We also sincerely thank all our wonderful individual and family sponsors for their continued support with their participation in the Player Sponsorship programs.

Our Mayne Past Players and Supporters Group again contributed to the success of the club with its generous fundraising efforts. The donation from this season's activity will be used towards purchasing a new set of goal post pads.

The club would also like to acknowledge the year round contribution of our fundraisers especially the Breakfast Creek Raffle crew who are assisted by the players in selling tickets and carrying the meat tray prizes throughout the year.

In closing on behalf of the club, I thank you all for the role that you play in our wonderful community club; the Players, Committee Members, Volunteers, Sponsors and Supporters - Go Tigers!

Campbell Shaw

Senior Coach's Report 2025

First and foremost, we would like to thank the club for the opportunity to coach the Senior Team in what has been another historic and unforgettable year.

Building on the momentum from 2024, we entered the 2025 season with renewed focus, refined game plans, and elevated training standards. It was inspiring to see over 40 players consistently on the track before Christmas, setting the tone for what would become a dominant campaign.

Early wins again helped build belief, but this year the group showed even greater resilience and maturity. To finish the Home & Away season with just one loss is a testament to the consistency, discipline, and hunger of our playing group. Securing top spot on the ladder and the Minor Premiership for the second consecutive year was a proud achievement.

Our finals series was clinical. We overcame a strong Springwood outfit in the Qualifying Final, earning a direct path to the Grand Final. The week off allowed us to reset and prepare for the ultimate challenge.

On Grand Final day, the club stood tall. To win back to back premierships is extraordinary and speaks volumes about the culture, commitment, and depth within our club.

We would like to extend our heartfelt thanks to the individuals who played pivotal roles in supporting the senior program this season:

- **Tony Lynn (Midfield Coach):** Your tactical insights and ability to connect with players continue to elevate our midfield group.
- **Sean Doolan (Stats & Assistant Coach):** Your meticulous attention to detail and tireless work behind the scenes gave us a strategic edge every week.
- **Roger Peterson, Marc Craigie & Marty Puncken (Team Managers):** Your organisation and leadership ensured our game-day operations ran seamlessly.
- **Sasha Cochrane (Strength & Conditioning Coach):** Your commitment to elite conditioning standards has been instrumental in our sustained performance.

To the entire coaching staff, players, committee, volunteers, and our passionate supporters—thank you for another season filled with pride, passion, and Premiership glory. We are honoured to be Premiership Coaches again in 2025. Go Tigers.

Reserve Grade Coach's Report 2025

Shane and I would like to thank all that played a part in this season, firstly Seb Shaw for stepping into an assistant coaching role and playing a pivotal part on game days, to Daniel Schmidt for sticking his hand up to help out after a season ending injury.

To our leadership group (Gus, Nick, Max, Patty, Sandy) all year they led from the front and brought their own style of how to lead.

To The Senior Coaches for always paving the way with the game plan and the standard of the game we like to play and gameday help where we needed it.

To Marc Craigie for stepping up as reserves manager which made our life as coaches so much easier, and the never ending texts and phones calls from Thursdays to sundays.

To our supporter group and game support persons for making sure we felt the cheers and made the games happen every week. And lastly to playing group for showing up week in and week out, it was a pleasure to coach you all and hope you all stick around as a core group for years to come!

2025 was looking promising from the get go for the reserves, after back to back flags and a bolstered up coaching group with a new look leadership group. It seemed the only thing stopping a three peat would be ourselves. Evidently losing some depth from the 2024 group meant we needed to work harder and bleed new players into a game plan and core group that had so much promise.

Having a record 53 players play at least 1 game this year is remarkable, from the everton juniors, the thirds and the retired, its fair to say continuity wasn't on our side but the depth and future looks bright for 2026 and beyond.

After a rocky start to the season with a few losses and couple of narrow wins we looked to right the wrongs and take on the challenges that laid ahead, this showed that the competition was getting stronger from top to bottom, the last 4 games were a test to see if we had the resilience to make it back to a finals campaign and we showed we did, unfortunately our post season was cut short with a narrow loss.

One thing we know about this club and the reserves, is we do not stay down for long and although we did not feel success in 2025 we do believe we are capable to compete for it in 2026 and beyond.

Cheers

Danny Evans and Shane Fry

Third Grade Coach's Report 2025

It was from the first session in January with 10 people, we grew week by week. Some preseasons, players come in and out like an apple cart. Especially in thirds. You get some in and some drop out. This summer, more people came and kept on coming back. Some students, some who haven't played for years and some veterans, plus a steady cast from the last year. Together we got fitter, more skilled and there was a belief that we could not only play, but win.

Round one we had plenty of new faces representing the Tigers for the first time. We played in one of the wettest games possible, but no one backed down from the challenge. Despite a loss we believed. Each week we grew better, more capable and trusting. By the third round we had our first win and kept winning for four weeks. The longest winning streak in memory. We had some ups and downs, but the enthusiasm and want to get better remained. We had the usual mid-season dip when Uni holidays start and a horror run with injuries...7 first choice starters done by the first 10 rounds. Our season was on the line and we needed a win against Aspley to qualify for finals. Many men down and a previous loss by 50 points. The team rallied and put in a performance that was worthy of the Mayne spirit. We contested hard with an enduring will to win. The win, the best since the thirds premiership! Our finals campaign ended early, but we fought it out.

From early January to now, the bond and improvement of the group was immense. While we didn't win the flag, we created some pathways for players to not only play football but be Mayne People. I'm proud of the boys and hope they all come back to finish what we started.

I would like to thank a few people who have been crucial to our team's success and rise this year.

John Laing (Manager) for all the work you do behind the scenes to get the guys on the field not just on game day but throughout the week, it doesn't go un noticed.

Jake Magill (Assistant Coach) your support this year has been amazing, with a new perspective on game day and throughout the week and your leadership. It has seen us go from bottom of the table to playing finals. I for one and the team have appreciated everything you've done this year.

Women's Coach's Report 2025

The QFAW program had great numbers and enthusiasm in the pre-season, from before Christmas right through to our first game in April, with club stalwarts Lizzie, Grace and Em regularly leading the various running, boxing, and fitness drills. The club retained a great core group of players that brought a lot of footballing experience and wisdom, with three players; Rhi Meehan, Dakodah Cott, and Amelia Weddell, playing their 50th game for the club this season.

We had a number of new players join the club too, with Zoe and Ruby both being scouted from Tasmanian leagues, Jorja and Mykaela recruited out of a soccer team playing as the left and right backs and thrown onto the half back flanks, Meg's potential identified while camp drafting at the Goondiwindi rodeo, Tara transitioning from darts, Ren and Kirsty bringing their touch footy experience, Catrina with a Gaelic background, and Ash and Jordan coming across from other footy clubs. Amelia Weddell's consistent, determined and lead by example approach in training lead us to naming her as the Captain, with the support of strong and reliable Vice Captains including Erin, Elvina, Dakodah, Lizzie and Rhi.

The season started with tough clashes against Kedron, Caloundra, and Redcliffe while the group were still gelling together and developing their playing style. The team really hit a turning point when we went out on a very wet, cold and miserable day to play ladder leaders Pine Rivers. Despite coming away with a loss, Mayne displayed a newfound level of fight and determination to keep Pine Rivers to a narrow three goal margin, which instilled a level of confidence in the group that they could match it with the best in the competition. A special mention to full back Amber who kept the league's leading goal kicker scoreless on the day.

In the back half of the season the ball movement improved remarkably, with clean chains of play often starting from Elvina and the Rolls sisters at half back, transitioning through the silky skills of key midfielders Zoe, Rhi, Mel, Millie, and Amelia, finding their way to Erin, Dakodah and Tara deep in the forward line. This translated to the scoreboard, with Mayne competing every week, pushing the opposition, but unfortunately recording five losses over the period where we went down by less than a goal.

In the final round of the season Mayne went up to Palmwoods chasing the first win of the year, with opponents the Hinterland Blues in the same position. The game was characterised by a tough battle in the midfield with superb ruck work from Dakodah and inside mid craft from Zoe. The back line were exceptional at intercepting the ball and shutting down the Hinterland attack. Mayne got into a rhythm in the third quarter inspired by a stirring half time speech from Angus Shaw, pulling away to finish the game up by a seven goal margin. The Mayne women have been determined all year and the last round of the season was a great team effort, a well-deserved win, and a magnificent belting out of Tigerland followed by coach Kyle Henry leading the group in a rendition of Pink Pony Club.

Thank you to Angus Shaw, Kyle Henry and Sean Doolan for coaching all year - the playing group is extremely fortunate to have access to your expert footballing knowledge. We are very grateful to Sasha Cochrane for running a great S&C program, readying the playing group's fitness for a big season and always making it fun. Jo Price and Lizzie Delaney deserve my thanks for managing the team this year - you have both made it very easy for everyone else to focus on the playing and coaching.

Thank you to the Mayne QFAW #1 ticketholders; Glenda and Rod Barber - we appreciate your support every week, especially at the wet games when you bring your grippo. A special shout out to Erin Baker and Amelia Weddell for organising a number of off field events for the team. A big thanks also to all other volunteers who helped throughout the year including Uncle Carl, James Price, Dos, Corey Smith, Sam Pitman and Drew Merryfull.

Finally, I have really enjoyed the opportunity to coach the Mayne QFAW programme and I thank the club for the chance to get my AFL coaching career underway.
