Opening round for the season – a muddy, watery slog in the wet

In extremely wet and soggy conditions, including water standing on the ground the Mayne Tigers kicked off the season at Hinterland. The conditions were bad to start the day and as the games went on it only grew worse.

The Reserves with an almost brand-new team persevered but came away as losers on the day, being unable to convert their chances. And in the process the two teams made the ground a muddy bog hole. The skills were not evident although Hinterland managed to find their marks and subsequently kick a winning score.

As the rain came down intermittently throughout the afternoon, the conditions were only marginally safe for play for the senior sides. There was plenty of slipping and sliding and only glimpses of controlled play. It was tight and hard fought all day, but Mayne edged ahead in the second quarter and with the backline holding firm for three quarters the lead was enough to ensure that the Tigers came away with four points. It will be difficult to judge where the team is from this game, but there is no doubting the effort that both sides put in. It is just as well that there is a two-week break before the next game.

Round Two - Mayne win Inaugural Mayne/Sandgate Perpetual Shield

Mayne Tigers won the inaugural *Mayne/Sandgate Perpetual Shield* in a comprehensive display of power football. The Shield is named in honour of two of the all-time greats Paul Meakin from Mayne and John Stackpole from Sandgate.

The Tigers shot out of the blocks early kicking the first goal only to have Sandgate take it away from the ensuing centre bounce for their first goal. And then Mayne clamped down at the back and feasted up front, led by the midfield dominance and accurate conversion to take a six goal lead into the break. The Tigers never let up,

repelling all Sandgate's efforts, to win the match showcasing the best of their skills.

In a tough hard-fought game the Mayne Tigers Reserves struck a late goal to win a tight contest by four points. In truth they could have won more easily but squandered quite a few of their very scarce efforts on goal. Sandgate fought back to take the lead in the final five minutes of the game but Mayne found an extra effort, kicked a point and then converted the out of bounds kick from Sandgate after the point to notch a tight win.

In another tough start to their season, the Tiger Ladies team went down to Kedron, with Kedron pressure providing goals after the halftime break. Mayne stuck to the task and managed to get on the score board but never got close enough to look like winning the game.

It was similar for the Thirds as their season got underway on Friday night, also against Sandgate. The Tigers went down by five goals in a low scoring affair, it was tough and hard in the wet underfoot conditions.

Round Three - Mayne win two in bizarre weather

Mayne Tigers won both the A Grade and Reserve grade games against Caloundra on Saturday in what can only be described as bizarre weather conditions. The day started out breezy and sunny and then developed into a full-blown storm and then easing off towards the end of the day. These conditions made the football difficult for all the players but Mayne managed to adapt better in each of the first two games.

The Reserves went out at full throttle and kicked three goals to have a good hold on the match at halftime. But the Panthers kept on coming and managed to get to 28 points midway through the final term. Mayne pulled themselves together and booted a goal and a point before Caloundra had the last shot for a point to go down by six points. Every point saved by the tight defence of the Tigers was worth its weight in gold!

It was still windy and sunny as the A Grade came out but the wind favoured the northern end and Caloundra did not make the best use of the breeze as Mayne managed goals into the teeth of the wind. Then Mayne put on four goals and the game looked over at halftime. Then the heavens opened, the rain came down and the wind blew!! The game turned into another wet weather slog and the defence was working overtime. In the end Mayne managed the conditions the better and ran out five goal winners from the same number of shots on goal.

The Women's team also played Caloundra straight after the main game – and the conditions were still very wet and slippery. Caloundra are a very powerful team and the Mayne Tigers were up against it all evening, unable to register a major score and defending grimly for the most part.

Best players Zoe Bourne, Rhianna Meehan, Elvina O'Keefe, Amber Prout, Dakodah Cott And Amelia Weddell

The Thirds playing on Friday night were up against Kedron and were hoping for a decent display – but after a tight opening term, they were blown away by a five goal burst from Kedron. They fought back in the final term booting six goals but the margin was too great and they lost the game by 21 points.

Round Four - Mayne win two and lose two at weekend.

Mayne Tigers comprehensively beat an understrength Springwood in A Grade. Springwood had hit a road block with a number of players missing the game through injury. However, the lead in game was quite the reverse when Springwood beat an undermanned Reserves. In two games against Redcliffe the Thirds won a cliff hanger and the Women's team was soundly beaten.

A special mention this week for Cooper Westerhuis. Amongst the best players in the Thirds and backed up to be among the best players in the Reserves the next day.

Round Five - One team still unbeaten – Mayne Tigers

Mayne have put together some good wins this season but none better than knocking off the previously unbeaten University of Queensland to go clear at the top of the table. Mayne got off to a great start with five goals in the first term and with a backline that had already shown its intent – keep them out!

The return up front was reduced each of the subsequent quarters but it was enough to keep the Tigers in front all day. And the backline held firm for the best part of four quarters. Thus the Tigers got home with a strong win.

The Reserves did not fare as well their straight kicking for goal keeping them in the game but never looking like they could bridge the gap over their UoQ Red Lions opponents. A slow start yielded a lone goal late in the first quarter and Mayne were playing catch up for the rest of the day.

The Thirds have won two in a row after beating Ferny Grove on Friday night. It was a close game as Mayne managed to blow out the behinds side of the equation and then Ferny followed suit. But in the final wash up it was a good win for the Tigers.

The Women's team were right in the game in what was a bottom of the table tussle and had the same number of shots recorded but fell short by less than a goal. An "if only" sort of game.

Mayne 1 - 2 – 8 lost to Northshore 2 – 1 – 13

Best players Dakodah Cott, Elizabeth Delaney, Zoe Bourne Elvina O'Keeffe, Mykaela Rolls and Rhianna Meehan. Elizabeth Delaney kicked the goal.

Mick Nolan Medal Day and Annual reunion

The Annual Reunion and Mick Nolan Medal Day was held in rainy, wet and windy conditions on Saturday. It was nevertheless enjoyed by all who were there. And both teams performed admirably to record wins. The Mick Nolan Medal was awarded to Captain Ryan Doolan for a magnificent seven goal effort up front, as well as unselfish play that gave goals to some of his fellow forward coterie.

The Reserves took to the field full of running and met inclement weather and a tough

opposition in the Sandgate Hawks. The first quarter was a real struggle with back and forth for no score until late on when Mayne broke through for their first goal. It continued as a tight and hard-fought game for the rest of the day, but Mayne sealed their victory with three goals in the third quarter and the Hawks could not break through a tough defence in the final term. Another game this year played in dreadful conditions.

And then the A Grade ran out and they were met by a squall from the South-west with rain and wind and extremely poor weather. And it was a credit to both teams that their skills were as good as they were under these conditions. Mayne started strongly and hit the scoreboard regularly in the first term to take a winning lead. And from then on, whenever Sandgate challenged, they were either rebuffed by the strong defence or matched on the scoreboard by Mayne's relentless forwards.

The Thirds also managed to have a comprehensive win against Yeronga on Friday night to start the weekend well for the Mayne Tigers. With the Tigerish defence letting nothing past, it was easy work for the forwards to have goals in all four quarters. The team is coming together well with players finding their groove and being able to play team football.

Only the Thirds on deck this weekend, continuing their winning ways.

The Thirds took on Kedron who were one position ahead on the ladder with four wins for the season. The Mayne Tigers with a bit of help from Reserve grade players had a good win and leap-frogged Kedron to third position as a result. The Thirds got off to a bright start and with their defence holding firm, they took a lead into every break.

Round Nine a weekend of football with near misses and wins

With a full complement of games, the Tigers had a decent weekend, with the two senior men's teams coming out as winners, the Women's team in the narrowest of losses and the Thirds beaten by a table topping Aspley team.

The A Grade have now played everyone in the competition and have been victorious over them all. Moreton Bay Lions were the latest to feel the wrath of the Tiger, as the Lions came out with all guns firing, taking

the game up to the Tigers in the first quarter. Then the Tigers clamped down and stopped them scoring and went on a 15 goal rampage to win the game easily before the final term. And so, they sit at the top of the ladder in a commanding position for this time of the season.

The Tiger Reserves got on track with a big win over the MBL in the first game on Saturday. They started out on fire in the first quarter and repeated the dose in the third before easing out to a 10-goal win by the end of the game. The win was on the back off another solid display by the defence.

The Women's team got themselves into a fight to the death and pushed their more fancied opponents to the brink before being beaten by the smallest margin. The game was up for grabs at all stages of the night but the extra point that Sandgate kicked in the first quarter proved to be the difference. The Tigers showed that there had been improvement and the bodes well for the rest of the season.

Another tricky day at Caloundra for the Men's teams in Round 10

Although Mayne got away to the perfect start against Caloundra with five goals in quick time in the first quarter, Caloundra was not done for the day. The teams swapped goals for the next two quarters and then Caloundra mounted an early push in the final term. Mayne steadied and kicked three goals late in the term to restore their winning margin.

The Reserves played another hard-fought game with good team pressure from both sides the feature of the day. And the halftime margin reflected the nature of the game. Caloundra opened up a 14-point margin during the third term and then was able to withstand Mayne's forward pressure and then kick the final goal to win the match by a single point.

University of Queensland provided tough opposition in 11th round

The early start at University of Queensland caught out a few supporters and seems to have done the same for the Reserves. But the A Grade showed no worries about the 1.00 pm start and went on to win their ninth game of the year. And it was no surprise to see the back six recognised for their defensive prowess as they responded well to all the UoQ pressure. Up front the forwards were quicker had better hands and managed to rack up a decent score led by Captain Ryan with six big ones.

Renewed vigour in Reserves and a good A Grade win – Round 13

Mayne overcome Caloundra for two good wins – Round 14

Caloundra took the game up to the table-topping Mayne Tigers but were unable to maintain the pressure for the whole of the match and ended up on the losing end of the scoreboard again. The game was in the

balance at three-quarter time, but a tight Tiger defence stopped Caloundra in their tracks and the forward line found a way to get through for six goals. The Tigers had no recognised ruckman but managed to get an equal share of the ball from stoppages through the swarm of fleet-footed small men who fed off the ball whomsoever palmed it down.

The Reserves were also undermanned in the big man department and called on assistance from the Thirds, but they were in the game from start to finish. It was a typical hard grunt sort of game with both sides putting in great effort. The game was end to end with the backlines reigning supreme. So, the goal apiece in the final term showed the closeness of the game with the winning break coming in the second stanza. A good win for the Reserves that sees them in third place on the ladder six points clear of fifth place.

Results from Round 15 against Moreton Bay Lions

In A Grade the Moreton Bay Lions were no match early for the Mayne Tigers but after the first quarter they showed plenty of grit and determination to get within three goals at halftime. Mayne steadied and outscored MBL in both quarters of the second half to squeeze out a five-goal win, the same margin as at the first break.

Mayne 8-3 10-7 16-11 21-12 138

Mayne Thirds still on track for a finals berth

On a weekend where the three other teams had another bye, the Mayne Thirds upheld their quest to make the finals with a good win over their local rivals Kedron. The game was close early, then Mayne's defence held out Kedron for the next three quarters. The forwards made inroads and finally the Tiger ran out more than four goals to the good.

The Thirds are in sixth position on the ladder with 28 points and only behind fifth on percentage..

Mayne Thirds crack the finals

An opening quarter of four goals set up Mayne for the vital win that sees them make the finals for season 2025. This was a strong win over Aspley who they will play in the Elimination Final. The Thirds are in the finals for the first time since their 2017 Grand Final win. It has taken most of the season for the Tigers to gel together as a team and now they have done so, the sky is the limit.

Round 17 A Grade go down to their first loss of the season

In Round 17 the weather played the role of villain in the Tigers first loss of the season to the UoQ Red Lions. In an absorbing game of football with a strong wind favouring the northern end, each team used it to good effect in their turn, the Tigers going in at halftime leading by a point. After the break,

the rain came and it was terrible. But the Tiger showed a ton of nous and managed the weather excellently to boot six goals into the teeth of the storm and take a four goal lead into the last quarter, with the breeze at their back. But the breeze ceased to blow in the final term and the Red Lions came out full of guts and bravado and took the game right up to the Tigers. And with their last shot on goal they pulled off a great win by just two points. Even then the Tigers had a shot at goal to win but scored only a point.

Mayne	2-0	6-4	12-6	13-8	86

Best players Jamie Ivers, Jack Collings, Connor West, Jack Coghlan, Louis Quin and Digby Morison

Goal kickers Ryan Doolan 4, Zac McLean 3, Zac Quin 2, Louis Quin, Tex Korewha, Ed Mallan and Jamie Ivers

And the Reserves fell short against undefeated UoQ. The Reserves played well to contain and match UoQ up to the last quarter and with the wind gusting to gale force they were unable to break out of their defensive half and finally went down by four goals. The match was a good precursor to the final two weeks when the Tigers have to win one game to make the final four, needing to beat Hinterland next week to make the final series.

Tiger Women lose another close one

As it has been for all of the season, the Tiger Women have lost another close game after being able to push their opponents to the wire. The result does not do justice to the effort that the team put in as Sandgate's accuracy sealed the game for them.

The final game of the season is against Hinterland who are also on zero points. Mayne 4 -2 - 26 lost to Sandgate 5 - 0 - 30

Best players Zoe Bourne, Dakodah Cott, Mykaela Rolls, Jorja Rolls, Amber Prout and Rhianna Meehan

So the Tigers have a big weekend to come at Hinterland with all three teams having season defining games to play. Here's hoping the Tiger spirit will shine through and deliver the results that we need.

Round 18 Tiger Women close out season with a great win

In a show of stylish football the Tigers Women's team closed out their season with a great win over Hinterland. The whole team was functioning well – with tight defence and good attack leaving no way for Hinterland to impact the game. And the win underpins a season of “what might have been” – the Tigers had five losses with margins of less than a goal (5, 4, 2, 1 and 1 point) almost enough to have cracked a finals berth if they had gone the other way. Well done on a season where you fought it out to the very end.

A Grade fight it out to beat Hinterland in Round 18

Just when all seemed to be going so well, a loss last week put some doubts in supporters minds. These were not allayed by the blistering start from Hinterland on Saturday.

The Blues came out with the first five goals before the Tigers responded. And as the match progressed, Hinterland managed to edge ahead by a bit more at each change to be three goals ahead at the final break. But the Tigers dug deep and came back with a vengeance to overhaul Hinterland in classic style to win the match by nine points in a barnstorming finish that had the Hinterland supporters in despair. And the finish underlined the Tiger spirit and the team's fitness levels.

The Reserves also played tough to beat Hinterland and seal their finals spot. With a first quarter scoreline of only four points, it shows what a tough game this was and continued to be. Mayne were ahead by the four behinds at the break. But Mayne were on top for a large part of the game, playing it in their forward 50 metre arc but not being able to put a decent score on the board because of the resolute Hinterland defence.

And in its turn the Tiger defence held the Blues out and with an extra goal or two Mayne were able to see off the challenge and seal their place in the finals for the 12th consecutive season.

Mayne Thirds lose big time but are still on track for finals

The Mayne Thirds were shown how tough it is going to be to win the Premiership – as Marcellin, undefeated for the season, handed out a lesson to the Tigers. But every team is vulnerable on the day and Marcellin have to overcome Sandgate, who are also

travelling well. And Mayne host Aspley in the Elimination Final on Friday night and hope to repeat their last round win to move on in the final series.

The Finals come round for 3rds Thirds bow out in Elimination Final against local rivals Aspley.

The Mayne Tigers Thirds bowed out in the Elimination Final to Aspley on Friday night. The night had dramas aplenty with the lights not functioning properly, Aspley calling for Mayne to forfeit, before the game went ahead on the second oval after stern words from the umpires officiating at the game. And the drama continued with a combative first term with honours even at that stage. Unfortunately, Aspley were a bit too strong and took a winning three goal lead into the halftime break. The final two quarters were hard fought but the Tigers slipped further behind in each of them to bow out of this year's final series. Well done to the team and the coaching staff on their great effort – getting to the finals after their usual troubles of getting a consistent team.

Low key end of the year for A Grade and Reserves

Springwood rested players (17) and Mayne also rested five players and in the A Grade it resulted in a match that was merely a training run and not a true test of the finals credentials of either team. But it did allow for Mayne to give a few players a run and test out some in different positions. But it was a canter nevertheless – Mayne running up another near 100-point win, their third

over the Pumas for the season. And the players called up from the Reserves all played well to highlight the depth the Tigers have this year.

The Reserves game also had little riding on it but Mayne wanted to have a strong run before the finals series. And for three quarters they were given their wish! They were on their way to a good win when a Springwood player collapsed and was unconscious. He was not able to be moved and by the time the ambulance got onto the ground the game was called off.

Mayne however, got the points as it was into the final term. This was not the way that the Tigers wanted to finish out the home and away season.

So, as the Thirds dream faded away, the Tigers now have to concentrate on their A Grade Semi-final against Springwood at home and the Reserves on their Elimination Final against Caloundra to be played at UQ Playing Field 2 at Queensland University.

Ryan Doolan sits out a game and wins QFA Div One award

Captain Ryan Doolan was rested for the last game and still held onto the Leading Goalkicking award for QFA Division One with 67 majors for 2025. Zac Quin added four to his tally and was able to be runner up with 57 goals, with Tom Campbell of UoQ third with 53. And after a late season burst of 10 goals Zac McLean was fourth with 48 goals, ahead of Tom Wischnat of

Caloundra on 44. A very potent forward line for the Tigers.

The Finals for A Grade and Reserves

And then there was one – Reserves bow out by a solitary point

The Reserves played Caloundra at UoQ Playing Field Two and bowed out of the Elimination Final by one point, a rushed behind scored by Caloundra with six seconds left on the clock. While this is as disappointing as it can get, the Tigers put up a great fight all throughout the game and were by some measures unlucky to lose. Extra time would have been a bonus and that is what it looked like for the whole of the second half.

The story of the game was one of pressure, exerted by both sides as had been the case in the previous two matches between the sides. Mayne were able to notch two important goals against the wind and then take a halftime lead as they added three more with the wind. But Caloundra fought back to boot two important goals themselves and thus the scene was set for the tough final term. Mayne added only one more goal, while Caloundra added two and then the fateful last point that cost the game.

Mayne	2 – 1	6 – 3	6 – 5	7 – 6	48
Caloundra	3 – 2	5 – 2	5 – 6	7 – 7	49

Best players – none were named individually as the whole team put in a mighty effort.

Thus ended an up and down season for the Reserves, who had battled throughout with no week going by without major changes to the lineup. In the end they had to win one of their last two games to make the finals, did so, and the next week before the finals faced off against unbeaten UoQ and did well. Well over 40 players turned out for the Resses underlining the struggles they had to find a consistent team and form. Well

done to everyone who played, all the support staff and especially to the Coach Dan Evans.

A Grade into the Grand Final again

In the other big game at home, the mighty Mayne Tigers played their way into the Grand Final with a good strong display against Springwood. The Tigers had played the Pumas on four other occasions including pre-season and had run out winners each time. However, Springwood had put weakened teams on the field in all of these games. And it was evident from the start that Springwood were a different side from those other four occasions. But Mayne rose to the task and whilst not dominating they were well in control with a four goal lead at the first break.

The wind was blowing a gale on and off and was also blustering around from the West to North and back. Thus there was no major advantage from “playing with the breeze.” Mayne took a while to settle into the second quarter but ended up with another three goals and a very handy halftime lead. After the break, Mayne lost their way a bit as Springwood managed to hit the scoreboard with the first two goals. Then Mayne found their groove again and added three before Springwood finished of the quarter with another major.

With a five goal lead it was therefore cut and dried – but Springwood managed two more goals before the Tigers hit their straps once again to finish out the game with a ten goal win. As well as the forwards and mid-field played; they were outshone by the dependability of the tight back line which repelled the Pumas for almost all of the game.

Grand Final Day at Hickey Park against Springwood for the sixth time

Springwood have defied the odds in getting to their third Grand Final in five years by beating University of Queensland in the Preliminary Final last week. They were up for the match!

Premiers for 2025 - the seasons' promise fulfilled but not easily.

It was a bright start with three quick goals from the Tigers and the faithful were settling back for a special afternoon of entertaining football from their Mighty Tigers. But that was the last time that the crowd was complacent as Springwood booted a late goal and showed their intent. The Tigers took a handy three goal lead into the first break. A quick early goal in the second term released the tension in the Mayne camp, only for the Pumas to start a master-class of their own. Controlling the ball out of the centre and at the stoppages, they dominated the rest of the second term to take an eight point lead into the halftime break. Mayne had scored only the one goal for the term. And the faithful were thankful for the break so that they and the team could regroup.

Mayne spluttered and back-fired for the next 30 minutes as Springwood inexorably maintained their lead through a structured kick-mark game from their leading players. But Mayne's two late goals in the third term had given some hope to the increasingly nervous supporters. But much of this hope was dashed as Springwood opened the term with a goal in 30 seconds and then a second as Mayne tried to wrestle the initiative away from the Pumas.

And then came the change, Mayne started to win the ball from the contested areas and managed to boot a couple of timely goals through Tex Kowehra and the surge was on. It kept going until they hit the lead with a narrow one point, then two point margin. Springwood hit back to take back a four point lead. And then Mayne applied the coup-de-grace with a splendid

boundary line goal from 50 metres deep in the pocket by Ryan Doolan – a Captain's goal if ever there was one and a just reward for the effort that he had put into the match.

With four goals each Tex Kowehra and Ryan Doolan had made the most of their chances and especially in the final term when it was Tex who took the vital goal shots early and then Ryan chimed in later. The Pumas were thoroughly deflated by these efforts and resorted to tired and undisciplined play as they tried to resist the Mayne onslaught. But a seven goal final term was not to be denied and Mayne ran out winners of the 2025 QFA Division Two Grand Final and Premiers again.

Mayne	5 – 4	6 – 4	8 – 9	15 – 10	100

An under siege backline stuck to their task and were terrific in the third quarter as they resisted very heavy pressure. The mids were also under siege for a large part of the game but also came good as the game wore on and hit their straps in the final term. This allowed the forward line to exert scoreboard pressure and once in the ascendancy only briefly relinquished it.

Springwood were well served by Rowan Page (who must have been best on ground until the last 15 minutes), Harrison King, Dylan Reid, George Fris and Jai Keneally

has been a stellar season with only the one loss and some resounding victories. It also underlines the importance of having a season with few injuries to key players. And when injuries happened, there was Enough depth to cover the losses.
